Blue

Have you ever had a little child ask you... "Why is the sky blue?"

Many of us can give the scientific or physical reason that the sky is blue...

But really, why is the sky blue?

Numbers 15:38-39

“Speak to the Israelites and say to them: ‘Throughout the generations to come you are to make tassels on the corners of your garments, with a blue cord on each tassel. You will have these tassels to look at and so you will remember all the commands of the Lord (YHWH), that you may obey them and not prostitute yourselves by chasing after the lusts of your own hearts and eyes.

In this instance, we find that the color blue is to remind us to observe our Creator's righteousness and not go after things against the Word of God.

Have you ever stopped to think...that perhaps this is the reason why the sky is blue?

So that every time we look up to Him, we are reminded of His perfect ways?

Just a thought...
